**PCN Strategies along Wyle IS is awarded PMSS2 Contract from Army  
ITEC4 Command**

PCN Strategies is pleased to announce that they along with its Prime Partner Wyle Information Systems were awarded the PMSS2 contract from the US Army. The award was given by the PEO-EIS command within ITEC4 of the US Army and will support through Program Management functions inside of the PEO-EIS Headquarters and other related offices.

“This is a tremendous win for us and Wyle Information Systems” said Exec. Vice President Marc E. Zigo. “The US Army has been a goal of ours for some time and we are ready to begin servicing this client. This team was balanced from top to bottom with many of the best integrators in IT”.
